PCRC Club Meeting on October 28, 2023

- Annual Banquet: The January banquet meeting will be held at *Donato's Touch of Italy*, at 6 p.m., the 13th of January (with Jan 20 as an alternate date).
- Signal Interference: Several members suspect that we may be experiencing intermittent interference with radio transmissions, especially at the south end of the field. As a first step in fact-finding, Jason asked flyers who believe they experienced such interference to identify for him the receivers they were using.
- Dues Increase: The members decided to increase club dues to \$72 per year, beginning in 2024. The new rate will be included in the 2024 membership applications that Jim Corey will be distributing in November.

Next Meeting will be 20 November, at the Holiday Inn Express, Winchester
