Members are asked to bring a side dish or dessert, and to furnish their own soft drinks. Tom Carney will send an invitation to which members can respond with the side or dessert they intend to bring.
 - **Field Maintenance and Improvements-** The past month was an active month at the field:
 - **Signs-** a number of the signs at the field were updated and replaced.

 - **Bush-hogging-** Judy Construction bush-hogged the field. Cost: \$500
 - **Safety and other improvements-** new fire extinguishers (ABC and lithium fire), two “Quick Clot” kits, a lightweight windsock, and a funnel (water removing) were all provided by Paul Dwyer.
- **Meeting adjourned at 7:30pm-** The next meeting will be 7pm, 21 July, at the field.

After the meeting, an auction of airplanes/modeling supplies was held. The items were donated to the club by Priscilla Lowe (wife of Tim), with the request that all the proceeds from the auction go to the club. It was a success; we received \$945.

Special thanks go to George Saar and Cliff Andrea for assisting Priscilla. It was a two-day operation for them to sort Tim's collection of material, make a couple of dump runs for Priscilla, and then get the usable items to the field for the auction.
