

Monthly Meeting Notes

PCRC Club Meeting on 25 April 2026

The club met at 10am, 25 April at the field.

Members attending: Tom Carney Cliff Andrea Jim Corey Paul Dwyer Oliver Gaze
Rick Goldman Luther Hux Scott Lillis Dan Rodgers George Saar
Gene Zagorsky Dave Zona

Treasurer's Report- copy attached.

Spring Maintenance Day- Spring maintenance was done immediately prior to the meeting. Special thanks to Dave Zona for trailering his tractor in and treating the driveway, and to George Saar for catering the hot dog lunch.

Auxiliary Flying Field- Ron Anderson has had conversations with the owner of a small, private air strip concerning the possible use of his facility for rc flying; the owner appears receptive to the idea. Ron asked the members if they desired that he continue the discussions, exploring the possibility/feasibility of the club using the site as an auxiliary field. Members were supportive of the effort, and authorized Ron to continue his fact-finding discussions. Issues to explore include use of the facilities, field maintenance, and the possible designation as a FRIA. The air strip is located ~20 miles northwest of our field in Cross Junction, VA.

Labeling Models- The FAA requires that all models weighing 250+ grams have their FAA registration number displayed on the exterior. Members decided that models flown at our field must also have displayed 1) the **owner's name** and 2) **contact information** (e.g. an address, or email, or phone).

Membership Report- Jim Corey reported that as of today we have 35 members in good standing. During the 2026 renewals we lost about five old members, but to date have gained 3 new members. Welcome to our newest member Rick Goldman!

Next meeting will be 18 May, 7pm at the field
