

Monthly Meeting Notes

PCRC Club Meeting on 20 July 2026

The club met at 7pm, 20 July at the field.

Members attending: Tom Carney Jason Baker Jim Corey Dave Fratello
 Lee Konopa Dan Rodgers George Saar Gene Zagorsky
 Dave Zona Peter Davies (with dad Daniel)

Treasurer's Report (copy attached)- Jim Corey presented a mid-year review of the club finances.

Pylon Race Meet- One-design "Bloody Baron" pylon racing is scheduled for Saturday 22 Aug, Model Aviation Day. The recommended AMA pylon race rules (modified for our field) will be used. The grill will be fired up for burgers and dogs. Preparations will be finalized at our next meeting.

Jucapa Farm Auxiliary Flying Site- Dan Rodgers reported that development of the auxiliary site is progressing well. Dan and his point of contact at the AMA are currently attempting to make the new field a FRIA. Dan informed us that the AMA has been very helpful in this effort.

Modification of Field Rules- We voted to change the reference concerning "2.4 GHz frequency" to "2.4 GHz and other approved frequencies". This will allow the use of newer, specialized equipment such as the 920 MHz transceivers.

Show and Tell- Dave Fratello showed us examples of the 920 MHz transmitter and specialized receiver that he uses in his extreme endurance flights. Dave is preparing for an AMA sanctioned attempt to set a new world record for the longest (time) flight for a remote-control model.

Next meeting will be 7pm, 17 August at the field
