Jucapa Farm Auxiliary Flying Site- The site is open to flying! The owner asks that operations there be low key. There will be no signage, nor publicity associated with the site. Members should minimize being accompanied by non-flying friends.

Pylon Race Meet- One-design "Bloody Baron" pylon racing is scheduled for Saturday 22 Aug **at 11am**. The recommended AMA pylon race rules (modified for our field) will be used. Members have volunteered to bring burgers, hot dogs, buns, and condiments. Bring your own drinks. Bring a small side-dish if you wish (this affair will be more lightly attended than a picnic). We will have a couple of battery powered chargers there.

Next meeting will be 7pm, 21 September at the field
